

To whom it may concern,

Sinclair Broadcasting's decision to force their stations to air an anti-John Kerry documentary days before the election is a clear example of the dangers of media consolidation, not to mention a direct "slap in the face" of the intent of use of public airwave bandwidth. I think it is despicable that Sinclair might get away with this travesty.

Please stop this abuse from happening!

Thank you for your attention to this matter.

Sincerely,

Craig Brown
